We have two separate classes, one in Roxbury (Morris County) on Tuesday nights from 7pm to 9:30pm, and one in Cranford (Union County) on Thursday nights from 7pm to 9:30pm. These will run for eight weeks beginning Tuesday January 9, 2024 and Thursday January 11, 2024. In March, we will be outside on weekend days, Saturdays and/or Sundays. The classes are identical. Both classes will qualify you to work NJSIAA High School Baseball and Softball, as well as USA Softball, Cal Ripken Baseball, USSSA Softball, etc.

Which rules class do you prefer, Tuesdays in Roxbury or Thursdays in Cranford?

(Roxbury or Cranford)

The cost of the class is \$100. We will provide the needed rule books, etc. If you complete the class successfully, and follow up by registering with the state NJSIAA and joining a state-recognized umpire chapter, the state will pay you \$300, which offsets the cost of the class, state and chapter registration, and leaves you a little extra to help pay for your equipment. You can either pay the \$100 by check or Zelle. If you pay by check, please enclose a completed copy of this form in an envelope with the check, and mail to:
